

In the Sun's Chariot

(Continued from Sixth Page.)

Magazine one year, as per your club offer. I have been reading THE SUN nearly twelve months, and I wish to say for the editor's encouragement that during that time THE SUN man has impressed me as possessing rare qualities of virtue and eminent ability as a journalist.

These words, coming from a plain every-day sort of citizen, may not impress the editor much, but it makes me SO GLAD to know that there is at least ONE EDITOR in Florida who possesses sufficient NERVE and BACKBONE to stand for what is right, regardless of friends or foes, that I cannot refrain from expressing my commendation of your policy and my gratification at the results attained.

While the subscription to THE SUN seems high, it must be remembered that one cannot expect to get something for nothing, and that, if the common people expect to have a GOOD, CLEAN paper to help them fight their battles against the greed and encroachments of modern corporations, they (the common people) must contribute liberally to its support.

I trust that the giver of all good and perfect gifts will give YOU health and strength and all the material things that are necessary to enable you to continue the publication of THE SUN as long as you can do so under the policy indicated by its first year's existence. Sincerely,

Madison, Fla., October 29, 1906.

Editor THE SUN:

Dear Sir—Enclosed find check for \$2 for subscription to THE SUN for one year. I like the paper O. K. on account of your outspoken style. I like it because it shows up the Times-Union and Metropolis. I also like the way you jumped on Graham. I know him myself a little bit. Your cartoons are IT.

Hurrah for drainage! Yours truly,

Lloyd, Fla., October 27, 1906.

Editor THE SUN:

Dear Sir—Through a mistake your paper was ordered to be stopped. I renewed my subscription soon after. Continue the paper. It's the BEST IN THE COUNTRY. Respectfully,

Eustis, Fla., October 10, 1906.

Editor THE SUN:

Dear Sir—Enclosed please find \$2 to pay one year's subscription to THE SUN. I have almost learned to think that I can't do without it. I like your independent style of hitting those that need hitting regardless of consequences. Pat's letters are all right and to the point, and as to the abstract business, it certainly needs to be changed, for the present method is an outrage. Very respectfully,

Fort Myers, Fla., October 12, 1906.

Editor THE SUN:

My Dear Sir—THE SUN I have received and read with great pleasure. I congratulate you on your excellent paper, especially your editorials exposing so many things rotten, and may THE SUN have long life and Claude L'Engle prosper is the wish of, yours truly,

Crewsville, Fla., October 13, 1906.

Editor THE SUN:

Dear Sir—I herewith enclose check for \$2.25 as settlement for one year's subscription to papers, as per enclosed slip. I cannot afford to be without THE SUN. I consider it the best paper published in Florida. You are certainly a terror to rascals and evildoers. Let the good work go on and thereby protect the honest people. Very truly yours,

Walahookee, October 22, 1906.

Editor THE SUN:

Dear Sir—Find \$1 enclosed for your valuable paper for six months; should have sent it before. It is the people's friend. It tells the truth and deserves the patronage of every honest man. May it live long. Yours truly,

Fort Pierce, Fla., October 6, 1906.

Editor THE SUN:

Keep THE SUN casting its rays toward me. I want to say I do not know the editor of THE SUN personally, but I don't think I am casting any undue flattery toward him when I say there is more man to the square inch in THE SUN than in any paper its size in Florida. Plain people of the State should be proud of THE SUN. Respectfully,

Port Orange, Fla., October 28, 1906.

Editor THE SUN:

Dear Sir—Enclosed find check for \$2 to renew my subscription to THE SUN for one year. I should very much hate to see THE SUN go down.

I am 69 years old today and celebrate the day by my renewal. I am one of the few remaining veterans of Company F, Fourth Florida Volunteers. Yours truly,

Now, a little bit about THE SUN as it is and will be. We will just mention a series of articles which we have prepared, called "On Secret Service." These are written by Col. Brady, who relates his actual experiences, with such changes as will not betray confidences placed in him, but who tells these stories in a manner that holds the reader spellbound during his narration.

We pay REAL MONEY for these stories, as we also pay real money for other stories that we run in THE SUN. In fact, about the only way we know for you to get a choice selection of stories of all kinds, and of facts that would otherwise escape you, and of opinions EXPRESSED WITHOUT EVEN THINKING ABOUT THE CASHIER'S WINDOW, is to get THE SUN. ORDER IT TODAY.

It strikes us that the people of this section of the State have a very personal interest in the drainage of the Everglades, if we accept as true the estimate of Mr. Ingraham of the East Coast Railway four years ago that they would be worth at least \$50 per acre when drained. The large land companies now own 3,300,000 acres of land assessed at about \$1 per acre. Drained these lands would be worth \$165,000,000, and if then assessed at one-third their value, or say \$50,000,000 it would mean an addition to the taxable property of the State of about \$45,000,000, or as much as fifteen counties like Walton. The very natural result would be the reduction of the tax rate over the entire State. Add to this the increased valuation of the State's property in them, about 2,000,000 acres or \$1,000,000 in value for schools, roads and other improvements. If this view of it is wrong we respectfully ask the Times-Union to show us where. Yes, we believe we are in favor of drainage.—DeFuniak Breeze.

IF YOU WANT CASH

For Your Real Estate or Business

I CAN GET IT

No Matter What Your Property is Worth, or In What Town, City, State or Territory it is Located

If I did not have the ability and facilities to sell your property, I certainly could not afford to pay for this advertisement. This "ad" (like all my other "ads") is practically sure to place on my list a number of new properties, and I am just as sure to sell these properties and make enough money in commissions to pay for the cost of these "ads", and make a good profit besides. That is why I have so large a real estate business today.

Why not put your property among the number that will be sold as a result of these "ads?"

I will not only be able to sell it—some time—but will be able to sell it quickly. I am a specialist in quick sales. I have the most complete and up-to-date equipment. I have branch offices throughout the country and a field force of men to find buyers.

I do not handle all lines usually carried by the ordinary real estate agents. I MUST SELL real estate—and lots of it—or go out of business. I can assure you I am not going out of business. On the contrary, I expect to find, at the close of the year, that I have sold twice as many properties as I did the past year, but it will first be necessary for me to "list" more properties. I want to list YOURS and SELL it. It doesn't matter whether you have a farm, a home without any land, or a business; it doesn't matter what it is worth, or where it is located. If you will fill out the blank letter of inquiry below and mail it to me today, I will tell you how and why I can quickly convert the property into cash, and will give you my complete plan

FREE OF CHARGE

and terms for handling it. The information I will give you will be of great value to you, even if you should decide not to sell. You had better write today before you forget it.

If you want to buy any kind of a farm, house or business, in any part of the country, tell me your requirements. I will guarantee to fill them promptly and satisfactorily.
